**RVC Sports Complex, Peninsula Blvd, RVC**

Trish Meindl was a RVC resident for 20 years. She passed away of breast cancer in January 2018. She is the former wife of Bob Meindl, a lifetime resident, and mother to Bobby who just finished his freshman year at Skidmore College, Andrew, who will be a 10th grader and Erica, who will be an 8th grader. She was a past president of the Watson PTA and a long-time soccer coach with the RVC Soccer Club. Soccer was a passion of Trish's starting as a young child playing in the Massapequa Soccer Club, and continuing in high school at Formingdale HS and in college at Marist College. All proceeds from this event will support scholarships in Trish's name at both South Side High School and Marist College. We hope these scholarships help keep her legacy alive through the game that she loved.
